IDEA 0041-68
Copy 8 of 9

27 February 1968

MEMORANDUM FOR: See Distribution

SUBJECT: U-2 Paint Test Demonstration

1. ORD has been experimenting with various types of paint to determine if it is feasible to manufacture one that would change color with changes of high altitude temperature. The results of the ORD tests appear to be satisfactory and they are now prepared to give a demonstration.

2. This demonstration will be given at 0930, 28 February 1968 in the D/SA Conference Room at [redacted]
Addressees are invited to attend.
